ABOUT SCHREURS & SONS

Schreurs & Sons is a family-owned and operated third generation business. Today, we are one of the largest suppliers of celery in Australia operating across 7 properties, spanning over 1,000 acres. We specialise in celery, leek and baby leaf lines including spinach, rocket and snow pea tendrils.

At Schreurs & Sons we are committed to exceeding customer expectations. We are continually driving innovation, in both our field and post-harvest practices. Our commitment to quality is reflected in our Global GAP and SQF Level 3 certified production processes.

We have dedicated Production, Sales and Quality Assurance teams to ensure we are able to grow and deliver high quality, fresh vegetables for all our customers year round.
